DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Enclosed herewith is an initialed and signed copy of the PTO-1449 of July 2, 2002. U.S. Patent No. 5895782 on page 1 and the two European Patent Office documents on page 2 are now initialed and signed.

The Examiner notes for the record that the newly initialed and signed references were already previously considered during the examination of this application on October 15, 2002. The initials to the left of the three cited documents noted above were inadvertently left out of the returned copy of the PTO-1449. This Office Communication is intended to merely complete the record by initialing and signing of the PTO-1449 form to completion -- the actual documents were already fully considered previously. All claims are allowed as noted in the Notice of Allowance (mailed on October 12, 2004).

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to JOHN PAK whose telephone number is (571)272-0620. The Examiner can normally be reached on Monday to Friday from 8 AM to 4:30 PM. If attempts to reach the Examiner by telephone are unsuccessful, the Examiner's SPE, Gary Kunz, can be reached on (571)272-0887. The fax phone number for the organization where this application or proceeding is assigned is (571)273-8300. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (571)272-1600.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
